## A millionth milestone for Latar Expressway

KUALA LUMPUR: Over one million motorists have used the Latar Expressway since it opened on June 23, says KL-Kuala Selangor Expressway Bhd CEO Amran Amir.

The expressway links Kuala Lumpur via Templer's Park with Ijok in Kuala Selangor via a 33km dual carriageway in 18 minutes.

The old route taking 90 minutes links Kuala Lumpur to Kuala Selangor via the Jalan Sungai Buloh-Kuala Selangor (Federal Road 54).

The road has four toll plazas. It remains toll-free until Aug 31.

Amran said the road has made many townships more accessible, claiming that places like Assam Jawa, Kundang and Puncak Alam would reap economic benefits from its existence.

The road will also link to the North-South Expressway, the Guthrie Corridor Expressway and the West Coast Highway when the stretch after Kuala Selangor is completed.
